باشگاه مسافران کثیرالسفر "هما"

It is our honor to offer more than half a century of service to our dear "Homa" passengers and companions. Thanks to this trust, the Islamic Republic of Iran Airlines, with the aim of providing services to its loyal customers, on October 1, 2004, Homa frequent traveller Club (*SkyGift*) was set up. In this way, the first official Iranian customer club was created, according to which many travelers can enjoy advantages and special privileges through the membership in this club.

Dear Homa companions, you can join the club by completing the registration form at www.skygift.ir.

We are proud to present the Blue Card by registration of your first flight in the system.

With *SkyGift*'s blue card, we will be with you to provide a better and faster service, both when buying a ticket and at the airport.

On each flight, you will get points based on your flight class. It is worth mentioning that only international flights including Code Share flights except charter flights and Staff discounted tickets lead to concessions. Each member can register his/her flights in the last 3 months after joining the club.

To honor the traveler, one of the *SkyGift* headlines is awarding passengers based on flight delays, which are credited to the passengers' account for each hour's delay 100 points.

If the family members of the passenger (including parents, spouse and children above 12 years old) are members of *SkyGift* and completed the family form from their profile, they can assign up to 50% of their privileges to each member of the family on each flight.
